### **CEDAR GROVE BAPTIST CHURCH CHRISTMAS PARTY 2010**

Lots of laughter, good food and Christian Fellowship were the highlights of Cedar Grove Baptist Church Christmas Party. If you hear Mr. Darrell singing the tune "Why's everybody always pickin' on me" he might be thinking about Dirty Santa and the coffee that percolated around the room. Who ever did end up with the prized sock basket? And if you notice Andy's handsome eyes, you might ask about his gift. Thank you Denise and the activity committee for your hard work to provide an enjoyable evening.

Thanks go to those who prepared food, those helping to serve, contributions to the gift bags for each resident and most of all the joyful Christmas spirit shared with our special guests and friends.*

## Time Bank

**Time is like a bank account with a deposit of 86,400 seconds each day. There can be no overdrafts or loans and at the end of the day there is no balance to carry forward. Time is a resource that we can't replace or make-up. Time can't be managed, but it can be more fully utilized and we can manage ourselves. Time waits for no one. Ask the commuter who just missed his ride or the doctor performing a delicate surgery. Time is perhaps our most precious commodity. Invest it in every opportunity. Today is a gift – maybe that's why they call it the present.**
