July/Aug 2012

2012 Vacation Bible School

Sonlight Express

Jesus & Me

What a wonderful program, the teacher and children enjoyed their daily travels, while learning that Jesus Saves, Jesus Leads, Jesus Cares, Jesus Lives and Jesus will return.

We averaged 46 children each night and had 25 adults lead the children. 7 Children made a decision for salvation on Thursday night, which let us know that God was present during

the week. One of the highlights of the week was the ice cream truck coming on Wed, which was enjoyed by both children and adults.

Each night, Tommy and Annie took us through a skit that started our journey for that evening.

Our nursery did a special craft each evening and enjoyed learning to play together.

Our 3 and 4 year olds were a very “lively” group. They learned a special Bible verse John 10:4 as a song “The sheep follow Him for they know his voice.” They completed a daily lesson and were shown where to find this in the Bible.

1-4 grade class was the

largest group and we were very blessed to see new faces here for VBS.

5-8 grade class participated in such activities as the “Mummy Wrap” and “Pickle Puckering.” These were a few of the activities that showed that the opposite of fear is faith and that Christ gave Christians the assurance of serving a living savior.

Our teens were a quiet class that was a combination of nationalities. Even though Marty might have struggled with the language barrier, the class grew every night.

Upcoming Events for July/Aug

- JULY 21- LADYS LUNCHEON

Children obey your parents in the Lord, for this is right. Honor your father and mother (which is the first commandment with a promise). That it may be well with you, and that you may live long on the earth. Ephesians 6:1-3

A word from Pastor Marty Granger

Pastor
Marty Granger

Summer is here and we are in full swing at Cedar Grove. There are tons of things buying for our time, golf, travel, beach, ball games, gardening, fishing and any number of other things.

I would caution you not to forget about the Lord Jesus and His church as well as His marching orders for the church. It is so easy to get caught up in all the other activities that while we may have had good intentions that when we come to the end of summer, all we have to show for it is exhaustion, sunburn and another year has gone by. Let's not forget that Christ promised His return and that we will stand and give an account to Him. So I challenge

you to find yourself faithful.

One thing here at Cedar Grove, is that we have plenty of activities for people to get involved in to do ministry. We just finished a very successful Vacation Bible School, The Sonlight Express, Jesus and Me. There are any number of places that a person can serve in VBS, so if you were not involved come and see me and we will get you involved next year.

Denise Brewer just headed up a very successful blood drive with a little help from her friends. A total of 30 units of blood were given. You may be like me and chicken of giving blood, but there are other opportunities to serve at the

blood drives as well as opportunities to share Christ and get to know the community.

By the time this is read, we will have had our 4th of July outreach, and there is the upcoming Mission trip to Jamaica in August. Couple these things with our first annual church singing July 29th, activities for the kids and weekly opportunities for visitation there are places to serve.

So enjoy your summer, but include the church and Christ in your plans, so you will not be ashamed at His appearance

Kidz On A Mission

Tosha Franklin

I am very blessed to have had a very fruitful first year with KIDZ OAM. Last fall, the kids went to one of our Deacons homes to help with cleaning up their yard. Another project that the kids have participated in was raising money by helping at home for Lotte Moon.

The most recent mission work was done during our VBS, where the kids collected 140 cans and boxes of food for The CUOC. Not only was the food delivered by KIDZ OAM, but God has opened a door for us to minister each Monday afternoon. The kids will be stocking the pantry shelves so that the following morning there will be food there for the families to choose from.

Kids OAM also includes many fun activities such as: bowling, skating, Winter Jam, pool party and our upcoming Trunk-or Treat coming Oct 31st.

Mission Moment with Tony & Sue Whitley

In the next couple of weeks our 2012 mission team will be heading to Jamaica, where we will be doing VBS (Sonlight Express), visiting an orphanage and a deaf school. The team is 13 members strong, and all are excited about seeing what God will do in Jamaica. Please pray for the mission trip and that the team will be submissive to God's will every step of the way.

There has been continuous support for the needs of others this summer with one of our members, Marlene Albright, going to help with a Baptist Men's feeding unit in Lewisburg, West Virginia. Many people were out of power from severe storms. A request was made late July 3rd for a large feeding unit to prepare hot food for supper for July 4th. Volunteers made it possible to feed the people the next day. The feeding operation was to close Friday, July 13th. To date: 26 people saved, 561 patients treated by Medical Reserve Corps team. Praise God for the opportunity that one of ours had the op-
