STRONG CHRISTIANS MAKE STRONG FAMILIES

Volume 2, Issue 2

March-April 2011

Words from the Pastor

As I sit down to write this article for our Spring Newsletter, I have to say I am excited about the things that are coming up. It looks like in the near future we are going to finally see the sanctuary completely finished, visitation is going well and I believe that God will bless Cedar Grove for faithfulness. VBS is in the planning process and is always lots of fun, the choir is getting started back, and it looks like we are going to see some things start happening regularly for the children's ministry and this is just to name some of the things going on. If you have been sitting on the sideline we would love to see you get involved.

I have witnessed the church growing in spiritual realms and this excites me about the possibilities for the future. Just with anything we do we must grow and mature to perform on a higher level. I believe church attendance is a big part of developing spiritually and I try to give the church a mixture of sermons as well as I attempt to teach on a variety of subjects on Sunday and Wednesday nights. I also believe that Sunday school is a big part of growing. SS gives people the opportunity to hear other teachers besides the pastor and to interact on a different level. SS develops ownership and community for those who are active in a class. Sunday school also allows a place for people to branch out and exercise spiritual gifts as well as a place to develop those gifts in a smaller environment, such as organizing, helping others, teaching or holding an office. As I was just reminded again it takes an oak tree a lot longer to grow than it does a pine tree but the finished product is stronger and of more value. I would encourage our church to actively seek out opportunities to build a family relationship with other church members and find a place to serve in the church; Paul refers to the church as the body of Christ. As a body we are all to be actively participating in the body to bring honor to God.

As we come toward Spring commit to growing in Christ and find a place to serve in His body if you are not currently and we will get stronger together.

Pastor Marty

NORTH AMERICAN MISSIONS EMPHASIS

ANNIE ARMSTRONG
EASTER OFFERING
FOR NORTH AMERICAN MISSIONS

NORTH AMERICAN MISSION BOARD

North American Missions Emphasis
START HERE...with PRAYER

The **ANNIE ARMSTRONG EASTER OFFERING**, jointly combined with funding from state Baptist conventions, provides the basic support for the North American Mission Board (NAMB) and missions personnel. The NAMB provides assistance to churches, associations and state conventions in church planting and evangelism, including soul-winning training, interfaith witness, and church and community ministries. Three priorities are sharing Christ, starting churches and sending people.

Each year, we honor the life and work of Annie Walker Armstrong (1850-1938) when we give to the annual offering for North American Missions named after her. As a tireless servant of God and a contagious advocate and supporter of mission efforts throughout the world, Annie Armstrong led women to unite in mission endeavors. Annie believed in Christ with all her heart, but it was her hands that expressed that belief in tangible ways. She spent a great amount of time typing and handwriting letters in support of missions. Many of these letters were quite lengthy and all were filled with conviction that more could and should be done in our mission efforts. She never hesitated to use her hands to reach out to hug a child or distribute food and clothing and the Word of God to those in need. Annie rallied churches to give more, pray more, and do more for reaching people for Christ. Missionary Jacques Avakian in Canada shares "When I think of the Annie Armstrong Easter Offering, I think of the first letters "A" and "A" = Always Available." Howard Burkhart in California states "The Annie Armstrong Easter Offering is our lifeblood, our lifeline, and our future. It puts missionaries on the field, provides ministry funds, Bibles, church planter training, support for new churches, and provides an opportunity for summer missionaries who often are our future missionaries. It does make a difference!"

The 2011 goal for Cedar Grove Baptist Church is \$650.
